Visco-Gel® Little Toe Sleeves™

Specifically designed to fit the little toe. They slip on easily and surround the toe with a soothing gel that instantly absorbs pressure and friction. Relieves corns, blisters, ingrown nails, pinching, cramping and more! Fits comfortably in most shoes. No messy adhesives! Trimmable. 1/package.

Item# P32

Visco-Gel® Toe Protector

Offers complete toe and nail protection. Instantly cushions and protects corns, ingrown nails and other toe irritations. A soothing gel completely surrounds the toe to absorb pressure and friction while releasing mineral oil to moisturize and soften skin. The soft fabric breathes and easily stretches for a custom fit. No messy adhesives! Trimmable. One size fits most. 1/package.

Item# P82

Visco-Gel® Corn Protectors

Relieves painful corns instantly. Instantly cushions and protects corns to help relieve pain. They feature a soothing gel that absorbs pressure and friction while releasing mineral oil to moisturize and soften skin. Soft fabric sleeves breathe and easily stretch for a custom fit. No messy adhesive! Trimmable. One size fits most. 2/package.

Item# P81

Visco-Gel® Toe Separators

Relieves corns, rubbing, pinching and cramping. Gently divides crooked or overlapping toes to relieve between-toe corns, pinching and cramping. Soft anatomically-shaped cushions are made from a vitamin-enriched gel which absorbs pressure and friction while releasing mineral oil to moisturize and soften skin. One size fits most. 2/package.

Item # P31

Gel Moleskin Protective Padding

Gel Moleskin's soothing gel is superior to traditional moleskin. It adheres gently to skin to cushion and protect while absorbing pressure and friction. Perfect for corns, calluses, bunions, blisters, heels and more. Washable and reusable. Two 2 1/2" x 3" sheets/package. Trim to fit.

Item # P805

3-Layer Toe Separators™

Soothes between-toe irritations. Gently divides crooked or overlapping toes to relieve between-toe corns, blisters, pinching and cramping. These soft, anatomically-shaped cushions soothe and prevent irritations by absorbing pressure with their durable, three-layer foam design. Trimmable. 6/package: 2 small/2 medium/2 large.

Item# P280

Nylon-Covered Toe Cap

Cushions and comforts sore toes. Nylon-Covered Toe Caps slip onto the toe to protect it completely and ease most toe discomforts, including corns and ingrown nails. Its durable nylon cover and padded toe tip provide extra comfort. Small/Medium/Large. 1/package.

Item# P34

Felt Corn Protectors™

Felt Corn Protectors™ cushion and relieve painful corns. These soft pads feature a cut-out opening to protect corns from shoe pressure and stop friction while allowing corns to heal. They can be worn directly on skin or inside shoes. Self-adhesive backings keep them in place. Non-medicated and safe for sensitive skin. One size fits most. 10/package.

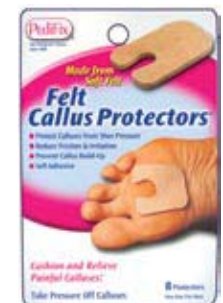

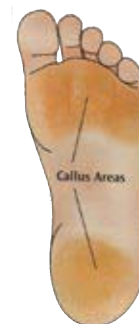

Item# P15

Felt Callus Protectors™

Felt Callus Protectors™ comfort and protect calluses, blisters and other foot irritations. They absorb pressure and friction to ease pain and help prevent callus build-up. Self-adhesive backings allow them to be positioned on skin or inside shoes. Trimmable. One size fits most. 8/package.

Item# P16

Tubular-Foam Toe Bandages™

Tubular-Foam Toe Bandages relieve corns, ingrown nails and other irritations by surrounding and protecting toes with soft, cotton-lined foam. They also cushion and separate toes that rub while reducing pressure and friction. Bandages compress to fit comfortably in shoes. Trimmable. Three 3" long pieces/package. 1 small/1 medium/1 large.

Item# P337

Toe Cushions™

Toe Cushions™ gently divide, cushion and protect toes and can be worn on top of or underneath toes to ease pain from corns and other toe irritations. Soft foam separates toes to relieve rubbing while absorbing pressure and friction. They also keep space between toes dry and help athlete's foot medications stay in place. Toe Cushions™ also work well for pedicures. One size fits most. 2/package.

Item# P83

Toe Trainers™

Toe Trainers splint adjacent toes. They ease pain by straightening and separating overlapping or hammer toes. These soft, cotton-covered splints cushion and protect toes from rubbing. Also great for broken or stubbed toes. Trimmable. 2/package.

Item# P51

Hammer Toe Cushion

Hammer Toe Cushion eases pressure on toe tips as it comforts and supports bent-under toes. This soft, contoured pad also relieves related forefoot pain while helping prevent blisters, corns and calluses. Adjustable toe loop holds cushion securely in place. Durable top cover. Specify right or left. 1/package.

Small (women 4-7) or Medium (women 8-10/Men 6-8)

Item# P54

Toe Straightener

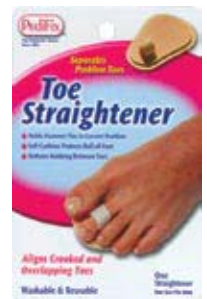

Toe Straightener aligns crooked, overlapping or flexible hammer toes and reduces rubbing between toes. A cotton-elastic adjustable loop holds the problem toe in proper position while a soft, dual-layer pad cushions and protects the ball-of-foot area. Double-Toe version straightens two adjacent toes. 1/package.

Item# P55

Single Toe Splint

Item# P57

Double Toe Splint

Visco-Gel® Toe Spacers

Comfortably separates the big toe and the second toe to help maintain proper alignment and relieve pressure on the bunion joint. These soft positioners are molded from a vitamin-enriched gel, which absorbs pressure and friction while releasing mineral oil to soothe and moisturize skin. One size fits most. 2/package.

Item# P28

Bunion Relief

Nighttime Bunion Regulator™

Nighttime Bunion Regulator™ controls the position of the big toe. It relieves pain by alleviating strain that causes a crooked big toe and a bunion deformity. This anatomically-shaped splint guides the big toe toward its normal position while gently stretching tendons and muscles to help slow progression of the condition. Recommended by doctors for people who want to avoid or postpone surgery. Specify left or right foot. 1/package.

Small: Women's shoe sizes up to 8/Men shoe sizes up to 7

Large: Women's shoe sizes over to 7/Men shoe sizes over 7

Item# P6035ASST

Midfoot Care & Insoles

Deluxe Metatarsal Cushion

The Deluxe Metatarsal Cushion provides extra ball-of-foot padding. It absorbs shock and reduces friction to ease ball-of-foot pain and help prevent callus development, especially in thin-soled footwear. Its soft, double-layer foam pad stays securely in place by a comfortable toe loop and features a durable cover. One size fits most. 1/package.

Item# P88

Metatarsal Shoe Cushions

Metatarsal Shoe Cushions comfort and protect ball-of-foot areas by absorbing pressure and reducing friction with soft, durable foam. They also add extra padding to thin-soled footwear and work great in high-heeled shoes to ease metatarsal pain while preventing feet from sliding forward. Self-adhesive backings keep them in place. One size fits most. 1 pair/package.

Item# P90

Works great in women's or men's shoes!

Arch Brace

This Arch Brace relieves plantar fasciitis, heel pain and heel spurs. It instantly supports weak or fallen arches to help relieve plantar fasciitis – a painful foot condition often associated with heel pain and heel spurs. The soft, terry cloth pad stays in place with adjustable Velcro® straps. Fits comfortably in roomy shoes. 1/package.

Small: Women's shoe sizes up to 10^{1/2} / Men shoe sizes up to 8^{1/2}

Large: Women's shoe sizes 11+ / Men shoe sizes 9+

Item# P61

Arch Cradles™

Arch Cradles™ are orthopedically-designed to ease foot pain. They gently support weak or flat arches, cradle heels and protect balls-of-feet. Fit comfortably in most footwear. 3/4 length. 1 pair/package.

Women's Sizes: 5-6 7-8 9-10 11
Men's Sizes: 6 7-8 9-10 11

Item# P180

Skin Care

Visco-Gel® Heel-So-Smooth

Moisture zone softens skin while sleeping or resting. Softens dry, cracked heels. The heel area of these innovative sockettes is lined with Visco-Gel® that releases mineral oil to repair damaged skin. Provides an even more intensive treatment when used with your favorite foot cream. Washable and reusable. 1/package. One size fits most.

Item# P800

Pedi-Quick® Safety Corn & Callus Trimmer

Safely and easily removes dry, hardened skin from feet. Its flexible plastic handle helps prevent nicks to ensure a safe, professional pedicure at home.

Item# P3035 1 Trimmer (includes 3 blades)

Item# P3036 Blade Refills (5-pack)

Pedi-Quick® 2-Sided Foot File

This 2-sided foot file gently whisks away corns and calluses to unveil softer feet. Like files pedicurists use, it features two different emery surfaces (one fine and one coarse) to gently smooth rough, dry or hardened skin. Ergonomically-designed, non-slip handle provides precise control. Great for hands and nails too! 1/package.

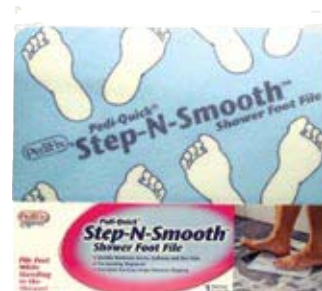

Item# P3020

Pedi-Quick® Step-N-Smooth™ Shower Foot File

Safely reduces corns, calluses and rough, dry skin on feet. This long-lasting mat is conveniently designed to rest on the shower floor. A non-skid backing keeps it securely positioned to help prevent slipping. Great for people who cannot bend easily to reach their feet. 1/package.

Item# P3030

Pedi-Quick® Salon Pedicure Kit

Pedi-Quick Salon Pedicure Kit contains everything needed to do safe, fast and professional pedicures, manicures and foot massages at home. This device features two emery-covered discs (one coarse and one fine) that whisk away corns and calluses and file nails. It also has a massager disc to provide penetrating foot rubs. Uses four AA batteries (not included).

Item# P3045

GelSmart™ Toe Spacers

These MGel Toe Spacers Straighten and align toes and relieve pressure from bunions. They retain their shape and will not deform or degrade with use. Washable and reusable. 4/package.

- Small Item# MG1125
- Medium Item# MG1126
- Large Item# MG1127

GelSmart™ All Gel Toe/Finger Cap

These engineered toe/finger caps have an all-gel design of soft vitamin-enriched M+Gel to soften, soothe and protect skin. They have superior cushioning, protection and relief for corns, calluses, hammer toes, nails and cuticles. 10/package. Features include:

- Thin side walls, thicker at distal end.
- Comfort vent for breathability.
- Trimmable, washable and reusable.

- Small Item# MG1075
- Medium Item# MG1076
- Large Item# MG1077

New!

Wide Mesh Tubing - 10"

This tubing is fully lined with vitamin-enriched gel and the flexible mesh fabric stretches easily. It can be cut to fit any size requirement.

- Helps reduce friction, abrasion and shear force.
- Provides protection for the arm or leg.

Wide Mesh Tubing is washable and reusable. 1/package.

- X-Wide (3") Item# MG1203

Comfort Gel Skin™ Bunion Relief - Thin Dress

3mm pad protects bunions by absorbing shock and shear forces.

- Soft stretch fabric cover positions gel pad over bunions (hallux joint)
- Secures comfortably over the big toe and around the foot to prevent sliding.

Fits comfortably in dress shoes. Washable and reusable. 1/package.

- Small/Medium Item# MG1303
- Large/X-Large Item# MG 1304

GelStep® Replacement Insole w/Met Rise

- Dual durometer construction for extra protection of heel, mid-foot and forefoot areas.
- Cushions the foot, ankle and knee from impact and shock.
- Anti-microbial cover absorbs odor, prevents bacterial growth and allows the foot to slide easily into the shoe.

Can be trimmed to the desired size. Washable and reusable. 1 pair/package.
