Big Things are Built on Small Things Well Done

For over 70 years, AGS, Inc. has lived by this motto. Shoe accessories, fitting aids and pedorthic products may seem like small things in your business or practice. If one of our items saves a sale for you, makes a customer happier, or solves a patient's problem, then our item becomes a big thing. We are here to serve you with the most complete line of shoe accessories, findings and pedorthic products.
