Leather Refinish

Leather Refinish

Finally! An easy way to Refinish & Color Restore leather items!

Designed to "Do it Yourself" which is extremely flexible and will not rub off on clothing. Just wipe the leather item to remove the everyday grimes and oils, then just apply a favorite Leather Refinish Color Restorer in a circular motion. It dries to the touch in about five minutes. There is no need to mask off metal hardware. Leather Refinish Color Restorer wipes off easily with a damp cloth without staining.

- Very easy to use.
- Non-toxic.
- Flexible.
- Will not rub off on clothing.
- Not affected by hot or cold temperatures.
- Waterproof.
- Natural looking finish.
- Does not stain metal.
- Smoothens out scuffs and rough spots.
- Cleans up easily.

#LAR1 ea.
