

Powerstep® Full-Length

Powerstep® Full-Length features a prescription-like polypropylene shell encased in a unique double-layer cushioned insole. It also has a well-contoured stabilizing heel cradle and intrinsic neutral forefoot and rear-foot posts. The design prevents the foot from pronating or the arch from flattening eliminating strain on the plantar fasciia tissue. The special antibacterial Sanitiz etc.™ fabric topsheet reduces friction, heat and perspiration and prevents slippage.

Spenco® Slip-In Insoles

Years of proven use and high quality are synonymous with SPENCO®. Our slip-in insoles provide long-lasting heel to toe comfort. Washable, trim to fit with scissors. Six sizes fit youth, men's 6-15, women's 5-10.

No. 40212, **pr.**

See New Spenco Gel Products on Pg. 40!

Spenco® ThinSole™ ¾ Length

Orthotics are designed to support the arch and absorb the shock of everyday activity. The unique shell provides excellent stability without the added bulk of most orthotics. The shell is bonded to a layer of Closed-cell Nitrogen-injected SPENCO® material and covered with a 4-way stretch nylon.

SPENCO® ThinSole™ ¾ Length Orthotics are a perfect fit for dress and casual shoes. Six sizes fit youth's, men's 6-15 and women's 5-10. No.43240, **pr.**

Spenco® Heel Supports

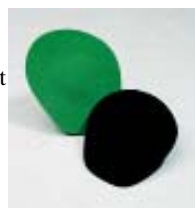

Especially designed to comfort, support and absorb shock in the heel and arch areas. Available in full length for heel-to-toe comfort and ¾ length for extra toe room in tighter fitting shoes. Five sizes fit men's 6-13 and women's 5-10.

No. 42218, **pr.**

Spenco® Metatarsal Arch Cushions

Specialized support for the ball of the foot. Designed to provide comfort and support for the metatarsal arch. For use in any type of footwear. Sizes: Small, Medium and Large.

No. 42416, **pr.**

Spenco® Polysorb® Replacement Insoles

Proven to deliver the best combination of shock absorption and energy return during any athletic activity.

Cross Trainer Style

Special cushioning in both the heel strike zone and forefoot area for outstanding performance. Six sizes fit youth's, men's 6-15 and women's 5-10.

Polysorb® Cross Trainer No. 38034, **pr.**

Walker/Runner Style

Special "heel strike" cushioning delivers optimum shock absorption for repetitive rear foot impact. Six sizes fit youth's, men's 6-15 and women's 5-10.

Polysorb® Walker/Runner No. 38323, **pr.**

Spenco® Heel Cushions

Foot comfort where you need it. Twice as thick as our slip-in insoles, the cushion protects against stress on the heel, such as fitness walking. Sizes: Small, Medium, Large.

No. 42168, **pr.**
