

FootSmart™ Soothing Foot Balm

FootSmart Soothing Foot Balm relaxes and revitalizes hot, tired, aching feet after a long day of standing or walking. It contains a combination of specialty ingredients to soothe feet: cooling Witch Hazel, energizing Peppermint and Lavender Oil to refresh and renew feet.

No. FS700, ea.

FootSmart™ NightTime Foot Renewal™ Cream

Advanced Alpha Hydroxy formula combines deep penetrating Penamide with Vitamins A, E and Pro-Vitamin B to increase the skin's natural renewal process, speeding exfoliating of over-dry skin at the surface. FootSmart NightTime Foot Renewal Cream helps relieve dryness and flaking to leave the skin smooth and soft to the touch.

No. FS400, ea.

FootSmart™ NightTime Heel Treatment Cream

This extra-strength cream combines a higher concentration of penamide and Alpha Hydroxy acid plus Vitamins A, E and Pro-Vitamin B for use on especially difficult to treat hard, dry cracked heels that require intensive moisturization. FootSmart NightTime Heel Treatment Cream helps relieve fissures and helps eliminate cracks in just days.

No. FS300, ea.

FootSmart™ Callus Treatment Cream

Footsmart Callus Control Cream contains the highest concentration of Penamide and is specially formulated to penetrate deep into hardened callused skin while the cream's moisturizing base smooths and softens. Helps to control callus buildup.

No. FS500, ea.

FootSmart™ Foot Care Kit

Follow the simplest of regimens and restore baby-softness to heels, soles and toes. Seven proven products from FootSmart exfoliate dry skin and soften callus build-up. The Callus file removes dead skin and the Callus Treatment Cream immediately softens unsightly skin build-up. Apply Soothing Foot Balm to stressed feet-it's like a spa in a jar. Before bed, smooth on Alpha Hydroxy NightTime Foot Renewal Cream for moisturizing action, then slip on our lightweight toeless heel socks. Your feet never had it so good. With the Toe Spacer Cushions and Toenail Brush, you can have a salon-style pedicure at home.

No. VIK603, ea.

Podiatrist's Secret

Total Foot Recovery Cream with Shea Butter

Podiatrist's Secret Total Foot Recovery treatment combines an Alpha-Hydroxy fruit acid formula, deep-penetrating Urea, and Shea Butter to soften and bring new health and comfort to damaged feet. This comprehensive formula increases the skin's natural renewal process, speeding exfoliation of itchy, over-dry skin at the surface. Urea helps break down hardened, callused skin and eliminate cracks and fissures. Shea butter contains vitamins A and E and has been used for centuries to protect and repair skin from harsh weather. With regular use, your feet will become softer and silky smooth to the touch.

No. FS50107, ea.

Thai Dry Deodorant Stone

This mineral crystal, is a proven alternative to deodorants, and can be used for daily body odor protection. Thai Dry helps prevent the source of unpleasant body odor. Unlike messy deodorants and anti perspirants, it does not try to mask or cover these smells.

- Unscented
- Hypoallergenic
- Not Sticky or greasy
- Simply apply to wet skin.
- Will not stain clothing.
- Contains no harmful chemicals, perfumes or aerosols.
- Long lasting - one stone lasts six to twelve months.

No. DS, ea.

NC Solution™

NC Solution is a unique topical anti-fungal solution designed for the prevention and therapy of fungal infections on the fingers and toes. NC Solution contains the powerful anti-fungal tolnaftate 1%. Tolnaftate has been proven to prevent fungal infections from the beginning by killing the causative organisms.

NC Solution has incorporated this powerful anti-fungal into a quick penetrating liquid base that can be brushed directly onto the site of possible infection. **DMSO** (Dimethyl sulfoxide) carries the medication straight to the fungus.

No. NC3000 ea.

NouveauDerm Moisturizing Gel Socks & Gloves

Using leading edge medical technology, NouveauDerm Moisturizing Gel Socks and Gloves are a revolutionary treatment for dry, hard callused skin. NouveauDerm's proprietary polymer gel lining releases a combination of skin-nourishing hydrators which include Jojoba Oil, Vitamin E, Olive Oil, Mineral Oils and selective additives to soften feet and hands while the socks and gloves are being worn.

Gel Night Time Heel Sock

A gel pad anatomically molded to the shape of the heel will moisturize and soften dry, hard skin, helping to reduce heel fissures. Use this heel sleeve in conjunction with skin moisturizing cream for rapid exfoliation. The gel cup creates a seal to hold the cream against the skin for quicker relief than any cream alone can give. One Size.
