

Pedag VIVA Comfort Footbeds

Ultra-Thin foot supports. The flexible polypropylene support shell is rigid enough to provide excellent longitudinal arch support, while a precisely positioned metatarsal pad lifts the metatarsal arch. At the heel a shock absorbing dot lessens the impact of heel strike. The VIVA also features a thin foam layer impregnated with activated charcoal to help control foot odor while a leather cowhide sockliner provides a fantastic feel.
 Men's Sizes: EU 41-47/US 8-14
 Women's Sizes: EU 35-42/US 5-12

Pedag Holiday Arch Support

Ultra-Light, 3/4 semi-rigid footbed with metatarsal pad which soothes and stimulates tired feet. The orthopedic design relieves pressure on the ball and arch of the foot. Features a sturdy support for the longitudinal arch and a built-in orthopedic insert for the latitudinal arch. Thin enough to fit in most types of shoes. Prime quality sheepskin tanned with herbal extracts.
 Available in Black only.
 Men's Sizes: EU 40-45/US 7-12
 Women's Sizes: EU 36-42/US 6-12
 No. 2879, **pr.**
